

SONGBOOK DESTINATION ENGLISH

01 THE WAY UP IS DOWN

Going to the VBS
Where there are no Limits
No time to waste a minute
See you on the summit

Chorus:

But the way up is down (whoa, oh, oh)
The key to my life, how to find it
Is just let it go (whoa, oh, oh)
And learn to trust and believe

Joseph had big dreams
That no one else could even see

He just had to believe
Like Joseph I want to be

Bridge:

I wanna climb to the summit (Whats that you say?)
Destination without Limits (Whats that you say?)
oooo, aa, aaa, aaaaa, oooo, aa, aaa, aaaaa
oooo, aa, aaa, aaaa oooo, aa, aaa, aaaaa
Now the way up is going down (Whats that you say?)
To find my life, I must lose it (Whats that you say?)
oooo, aa, aaa, aaaaa, oooo, aa, aaa, aaaaa
oooo, aa, aaa, aaaa oooo, aa, aaa, aaaaa

02 THIS IS MY STORY

Joseph was a dreamin' he would some day
Become a leader standing tall
Instead, he ended up in jail, a stranger
Forgotten and feeling so small
Simply waiting, and trusting
Joseph waited for his dream
And had this song as his theme....

This is my story, this is my song
Praising my savior, all the day long.
This is my story, this is my song
Praising my savior, all the day long.
Does God have a plan for me?
Can I change this world I see?
But, what if my life is going down?
Can I trust God and His plan for me?
I'm simply waiting, and I'm trusting
I got to learn to wait for my dream
And have this song as my theme....

03 I SEE THE MOUNTAIN

I see the mountain, and its calling me to climb
The trail is hard to follow; it's going to take
some time
I have to cross some valleys
Step by step its belonging to me, it's my destiny.

Chorus:

From this mountaintop now I can see
Other mountains waiting there for me
Each of them is meant to change my heart
I'm excited, I can't wait to start.

Thanks to my Jesus, now I'm a conqueror
He changed my heart, now I'm a winner
Step by step advancing, it's my destiny.

07 JOSEPH IS FAITHFUL

I try to be faithful to my God.
He watches out for me always
and cares for my life.

I had dreams of what
God had in store for me
But jail and slavery happened.
Lessons I learned would give
Me strength to overcome it all.

I try to be faithful to my God.
My path went much farther
Than I could have ever imagined.

08 GLAD I HAVE A GOD LIKE THAT

If there is a mountain,
My God can help me move it.
If there is a problem,
My God can help improve it.
If there is a challenge,
My God can help remove it.
It's great to have a God like that.

Joseph's dream was doing swell
He was gonna really thrive.
Then his brothers threw him in a well
He was lucky, he survived.
But then inside that jail cell
He was glad to be alive.
It's great to have a God like that.

His jail cell was pretty rough
But it did not bother Joe
He helped the jailer with his stuff
His attitude was cool
He helped the king and sure enough
He became someone to know.
I'm glad I have a God like that.
