- Family photo frame (1 per student)
- Foamy letters “CBI” (1 per student)
- Foamy magnifying glass (1 per student)
- Foamy torch / flashlight (1 per student)
- One piece of curly ribbon (1 per student)
- Glue

Instead of foamy, you can use thick or colored paper.

Instructions:

1. Give each child their pieces.
2. Have the children glue their pieces onto the photo frame.
3. Glue the curly ribbon on the top in a loop for hanging.
4. Explain to the children that when they get home, they can color a picture or paste a photo on the back. Instruct them to glue it in place.

CBI DECORATION

Materials:

- Large letters “CBI” (1 per student)
- Squares of tissue paper of each color (50 per student) (Tissue paper is colored paper that is super thin / Chinese paper.)
- Glue
- Pencil

Instructions:

1. Give each child large “CBI” letters, and 50 small squares of tissue / Chinese paper.

2. Using a pencil, roll the tissue paper firmly over the pencil eraser.
3. Cover the eraser part of the pencil with glue.
4. Glue the tissue paper onto the “CBI” letters.
5. Continue until the letters “CBI” are covered with decorative tissue paper.

STAR BADGE

Materials:

- Foamy star (1 per student)
- Paper star (1 per student)
- Sequins or decorative beads (10 per student)
- Clothespin (1 per student)
- Glue

Instead of foamy, you can use thick or colored paper.

What to do:

1. Give each child the foamy star, the paper star and the sequins.
2. Have the children glue the paper star onto the foamy star.
3. Have the children glue the sequins onto the points of both stars.
4. Have the teacher or helper help the children put the star insignia on their shirts with the clothespin.
