Take on a job this week that is not normally yours, like washing the dishes every day, or some other work for your parents that is not your regular responsibility. Watch God help you do big things.

God is still faithful when I feel like everything has gone wrong.

"God, who has called you into fellowship with his Son Jesus Christ our Lord, is faithful." I Corinthians 1:9

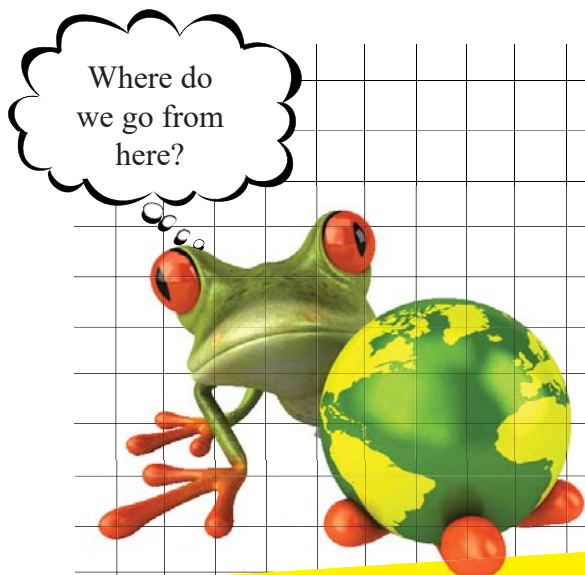

Tell someone about a time that looked like it was going badly for you, but it all turned out well. God taught you important things because of it.

- When I see my sin I should repent and stop it.
- “Repent, then, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord,” Acts 3:19*
- This week be extra sensitive to something wrong that you say or do that you are ashamed of, and wouldn't want to see in a public video. Repent. Ask God to help you to think first and STOP before doing it again.

Like the Lepers, I need to say, “Thank you” to God for what he has done for me.

"Give thanks in all circumstances, for this is God's will for you in Christ Jesus."
1 Thessalonians 5:18

Make a list of three things that you haven't thought to thank Him for yet. The things we are normally thankful for are food, clothing, and family. Have your students think of new ideas to be thankful for; things like: helping you find a lost item, holding the rain back until you are safely inside at school, riding your bike without falling down once today, having the ability to say only nice things to your brother or sister today, etc.

God wants us to always tell the truth.

"Do not lie to each other, since you have taken off your old self with its practices."
Colossians 3:9

Think about a lie that you have said. Chose not to continue making that lie to others anymore. Take a small piece of paper, and write that lie down. Write down a prayer on the note, asking God to help you no longer make that lie. Take the paper outside of your house and bury it.
