

... to the study where we are going to see the list of Heroes of the faith that is in Hebrews 11 and learn how we can have a life of Faith, since our spiritual life is more important than our physical life.

We are going to see men and women of the Old Testament who believed God, spoke with God and lived for Him. They are examples for us. Sometimes we will learn from the good things that people do and other times we will learn from their mistakes. Since we are talking about Faith in God, then let's begin by defining it. Do you know what Faith is? The main verse on which this study is based is in Hebrews 11:1.

"Now faith is confidence in what we hope for and assurance about what we do not see." Hebrews 11:1

The Bible is a very important book for all Christians, but it is a big book. How many of you have read the entire Bible? It is so big that we could get lost and confused about the things that happened, not knowing where and when they happened. To help you in this aspect, we are also going to do a review of the Old Testament apart from the stories of Hebrews 11. We will apply all of this to our spiritual lives. We will learn the name of the books of the Old Testament and key events, placed in a historical order so that we do not get confused with dates and events. The main reason why it is important to study the Old Testament is that we can find wonderful stories and instructions that apply directly to our lives today.

You don't have to say it to the person, but you can say it out loud even when you are alone. That releases you from the anger you have, and you can be happy again. You are also like your heavenly Father, God, because he forgives all of us. The more you forgive people, the freer you will feel.

or that," and get depressed. But the best response is to just admit that we have sinned and ask Jesus to forgiv that sin. God doesn't want you to be depressed about your sin. He wants to forgive it, so you can be free to encourage other people.

Your assignment this week is to write about something you are rebelling against, something you don't want to do but should do, or something you want to do but shouldn't do. It could be something as simple as this homework assignment or it could be something your parents want you to do. Think of the damage this might be causing to your heart, your friends and family, or your future hopes and dreams of serving God. Then ask Jesus to forgive you and clean it from your heart, telling Jesus that He is your king. Keep track of whether the rebellion went away or not and repeat that prayer as much as you need to.
