**WELCOME...**

... to the study where we are going to see the list of Heroes of the faith that is in Hebrews 11 and learn how we can have a life of Faith, since our spiritual life is more important than our physical life.

We are going to see men and women of the Old Testament who believed God, spoke with God and lived for Him. They are examples for us. Sometimes we will learn from the good things that people do and other times we will learn from their mistakes. Since we are talking about Faith in God, then let's begin by defining it. Do you know what Faith is? The main verse on which this study is based is in Hebrews 11:1.

"Now faith is confidence in what we hope for and assurance about what we do not see."  
Hebrews 11:1

The Bible is a very important book for all Christians, but it is a big book. How many of you have read the entire Bible? It is so big that we could get lost and confused about the things that happened, not knowing where and when they happened. To help you in this aspect, we are also going to do a review of the Old Testament apart from the stories of Hebrews 11. We will apply all of this to our spiritual lives. We will learn the name of the books of the Old Testament and key events, placed in a historical order so that we do not get confused with dates and events. The main reason why it is important to study the Old Testament is that we can find wonderful stories and instructions that apply directly to our lives today.

## ASSIGNMENT

Look around at the world this week and find something that bothers you. Pray for God to help the people involved, praying for justice, peace, and love. # LESSON 5

## FACE THE RISKS

Esther: Esther 2-8

Then color the drawing.

## ASSIGNMENT

Ask God for an opportunity to do something cool for Him this week, like telling someone about Jesus, praying out loud in a group, or talking to someone new. When the moment comes, if you are afraid to do it, think about how it could bless someone else and try to do it anyway. If you don't succeed the first time, it's ok. Ask God for help and try again and again until you succeed.

Every time something good happens this week, think about how much better heaven will be. Whenever something bad happens, remember how God will wipe away all tears in heaven. # ASSIGNMENT

Draw a picture of heaven this week. Think of all your favorite things on earth: family, toys, clothes, pets, nice cars, the sky, flowers, etc. God promises to make new heavens and a new earth (Isaiah 65:17). The same creative God who made this fun and wonderful world is making an even better one! All the good things will be there and none of the bad things. Put your picture up on the wall in your room so you can remember it and think about it, especially when sad times come.

## ASSIGNMENT

Think of the opportunities you have had and the good things in your life. Thank God for them. ## ASSIGNMENT

Several weeks ago, the assignment was to read the Bible every day. This is your chance again! Read the Bible every day this week at least for a few minutes. Don't worry if you miss a day but keep trying to read it daily and try to make it a habit. What is the best time of day for you to read? You can put the Bible by your bed or by your toys or somewhere that makes it easy to remember consistently. If you have the Bible on your mobile device, then tape a piece of paper somewhere to remind you, like by the door to your room. Don't make a promise, because we humans are bad at keeping promises. Simply read the Bible every day for the rest of your life.

God loves  
little children.

Luke 18:16 "But Jesus called the children to him and said, 'Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.'"
