2. SHIELD OF FAITH

MATERIALS

Complete shield pattern (1 per child)

Shield center pieces out of color paper or foamy (4 pieces per child)

Cross pattern

Glitter

Glue

INSTRUCTIONS

1. Cut out each piece in the form of a shield.
 2. Cut out the four pieces of foamy or color paper.
 3. Cut out the piece in the form of a cross.
 4. Color the shield.
 5. Paste the four pieces of foamy / color paper on the shield (this will look like a smaller shield, look at the sequence of images to help you).
 6. Color the cross, apply some glue on the word FAITH and then add diamond.
 7. Finally, glue the cross over the foamy / color paper pieces.
- Optional: cut a strip about 5cm wide x 10 long and stick it behind the shield like a handle. Students can put their hand inside to hold the shield.

CRAFTS

3. BOOKMARK

MATERIALS

- Corner piece
- Circles with text
- Small star sequins
- Glue or tape

INSTRUCTIONS

Cut out the bookmark corner piece and the circles with the logo.

Make the folds in the marked lines (these look like pointed ears), now glue them together on top of each other, the inside does not stick. In the end you should have the figure of a triangle.

Allow your students to color the logo first and then stick the stars in the spaces indicated.

Now paste the circle on the triangle.

Open the inner part of the separator a little and put it on some sheet of your Bible or book.
