HOMework

Choose a classmate from your school or neighborhood who is in need. If it is appropriate, ask your parents for help to bring him fruit, cereal, or something to eat--enough for him and his family. Carry extra food in your backpack to share. Remember that you can do this even with the person doing the cleaning at your school.

MEMORY VERSE

Romans 12:16 " Live in harmony with one another. Do not be proud, but be willing to associate with people of low position. Do not be conceited."

HOMEWORK

Interact with a problem boy or girl in your school room, or with the immigrant boy or even of another religion. Do not allow prejudice to keep you away. Give him a greeting in the morning or ask him how his day was. If you dare, share some of your food and don't be surprised if their reaction is negative. Try it during the week and then talk to your Sunday school teacher about what happened.
